

2019 White Mith

Tasting Notes

- asian pear • gardenia • honeysuckle • golden apple • jasmine • ripe peach • candied lemon • anise • minerality •

Production Notes

A classic combination of white Rhone varietals, the 2019 White Mith incorporates Roussanne, Viognier and Grenache Blanc. It is the only white we produce exclusively from Walla Walla Valley fruit.

Vineyards

- Blue Mountain Vineyard, Walla Walla Valley
- Summit View Vineyard, Walla Walla Valley

Winemaking

- Hand harvested grapes
- Picked early in the morning
- Whole cluster pressed to stainless steel to settle out solids
- Fermentation took place in neutral French Oak barrels
- Partial malolactic fermentation prior to blending
- Blended and aged 6 months sur lie
- Light fining and cross flow filtration prior to bottling

Vintage

- 2019 was overall a very mild year with below average heat units.
- The growing season started slow with snow throughout February and March which delayed bud break.
- Temperatures warmed throughout May helping with bloom and vine development.
- Cooler July temperatures delayed veraison a little over 7 days before our typical hot August temperatures accelerated ripening.
- Harvest began on September 12th and lasted through mid-October, slightly earlier than normal due to frost concerns.
- This vintage has led to elegant wines with high natural acidity and slightly lower alcohols, making them perfect food pairing wines.

Wine Data

Appellation..... Walla Walla Valley
Varietal(s)..... White Rhone Blend
Composition..... 55% Roussanne
..... 27% Viognier
..... 18% Grenache Blanc
