

BALBOA WINERY

WALLA WALLA VALLEY

2023 Sparkling Rosé

Tasting Notes

• stone fruits • honeysuckle • pink roses • Meyer lemon • pomegranate • ripe grapefruit • tangerine • spiced white peach • balanced acidity

Production Notes

Our 2023 Sparkling Rosé, is a blend of Mourvèdre from Canyon's Vineyard and Grenache from Blue Mountain Vineyard & Summit View Vineyard. All of these grapes are farmed, harvested and fermented specifically for Rosé wine.

Vineyards

- Blue Mountain Vineyard, Walla Walla Valley
- Canyon's Vineyard, Red Mountain
- Summit View Vineyard, Walla Walla Valley

Winemaking

- Hand harvested grapes
- Picked early in the morning
- Fruit was destemmed and left on skins for an average of 4 hours
- Small lot fermentations at cool temperature in stainless steel tanks
- The wine was blended and aged for 6 months in stainless steel
- Light fining and cross flow filtration prior to bottling

Vintage

- A cool spring delayed bud break by approximately 2 weeks however we were able to catch up with warmer than average temperatures in May.
- A typical warm summer with average rainfall continued fruit development through veraison.
- Temperatures cooled slightly in September allowing for continued hang time and flavor concentration.
- Overall quality is outstanding with slightly reduced yields for wines of great balance, acidity and concentration.
